Monday June 24th, 2019, 12:00 P.M.

“Our mission is to ensure quality behavioral health care in Utah by promoting collaboration, advocacy, education, and delivery of services.”

Planning Council 2019-2020 priorities:

1. Parity
2. Early intervention and prevention
3. Recovery support services
4. Youth in transition
5. Block Grant

In attendance: Sigrid Nolte, Rob Wesemann, Olivia Shakespeare, Nettie Byrne, Heather Rydalch, Dan Braun, Rafael Montero, Jennifer Marchant, Lori Cerar (R), MaryJo McMillen (R)

1. Review new membership applications & previous month's minutes: **Aubrey Myers & Jason Jacobs.** Both applications were approved to be voted on by the full council. The council will vote for Aubrey Myers in July and Jason Jacobs in August. The May Executive Committee minutes were approved by the committee.
2. Training topic(s) for upcoming meeting or meetings discussion: **Aubrey Myers has agreed to speak to the Council about trauma informed care in July. August speaker?** Nettie will reach out to Jeannie Edens and Heather will have Doug reach out to Emma Chacon and find out if either one or both can speak about Medicaid expansion in August or September. We need to ask them how we can market and get people enrolled in Medicaid because of the low signup rate.
3. Follow-up on Council priorities or topics from prior meetings: **Have the Exec minutes been posted yet?** Nettie heard back from Jeff and sent the Exec minutes he didn't have and he is getting them posted.
4. Council needs (discuss when needed): **Rob will not be at the August meeting.** Dan will not be at the July meeting. The subcommittees need to be reevaluated. Only Recovery has a steady presence. Rather than break off into subcommittees at the next meeting we will have an open discussion and reorganize the subcommittees.

The Council needs to have more members from other parts of the state. Nettie can reach out through her peer supports and will try to get some interest in Monument Valley. Dan suggested inviting someone from Comagine to attend.

5. Other: **Nettie will reach out to FREDLA to see when the survey results will be ready.** The survey should be ready by late August and hopefully someone from FREDLA can present the findings.
